SCHOOL CHECKLIST

Welcome to the **RTSWS School Champion** family! This checklist will guide you towards the key elements necessary for a prosperous journey as part of the RTSWS cohort within your school. We anticipate an exciting and rewarding year ahead for both you and your students!

IDENTIFY 2 SCHOOL CHAMPIONS

The heart of RTSWS lies in its **School Champions** – extraordinary individuals from within the school's staff or faculty who wholeheartedly grasp the value of immersive financial projects and the essential groundwork for college and career readiness, especially tailored for young women in high school. We're seeking two school champions to optimize our program and provide an extra helping hand when faculty members find themselves in two places at once. Join us in this exciting adventure to ensure our school's success and support its growth!

These Champions, often embodying roles such as teachers, compassionate guidance counselors, creative enrichment coordinators, and more, are not only driven by their dedication to the RTSWS mission, but also thrive in direct interactions with students.
