

# HOW RTSWS CAN BENEFIT YOUR STUDENTS & SCHOOL

## ABOUT US

Rock The Street, Wall Street equips high school and university students with Financial & Investment fundamentals, industry access and guidance from classrooms to careers, at no cost to your school.

Our program pairs students with female financial professionals as instructors and mentors. With a cutting-edge curriculum and seamless logistics, **students sign up, and we handle the rest.**

**Building lasting relationships is our aim. Some of our schools have been with us for over 8+ years.**

## THE BENEFITS OF OUR PROGRAM

Since 2012, more than 10,000 students have participated. RTSWS students show a 79% increase in Financial & Investment literacy. Alumni pursue finance, economics and related business degrees at five times the rate of the average US female university student.

- Mentorship Students meet with industry professionals in three one-hour Spring Mentoring sessions to strengthen resumes, interviewing, networking and career readiness.

- Career Center Students and alumni access internships, early-career roles, recruiting events, Coffee Chats and career resources.

- **Access to Major Firms** Connect with prominent local firms and future employers
- **Potential Funding and Talent** Unlock funding and professional talent from major firms to support various school programs, including Robotics, I.T., Marketing, Yearbook, School Paper, and more
- **Early Social Capital** Empower girls with early social capital through networking opportunities with women in the business world
